### Description

At "GFT New Gen 2020", our ambition is to bring everything you need to conceive and make your new fashion ideas and dreams come true. Gathering the new collections of opportunities under one roof, leading providers of fashion manufacturing technologies, machinery, accessories, materials, as well as OEM/ODM service providers will converge together to make it easier for buyers to transform their concepts into realities and profits. Fashion makers' ideas will become more innovative and lucrative through new concepts and experiences in concurrent conferences and special activities. This is the new of event; this is the new era of fashion business.
