

Garment Manufacturers Sourcing Expo 2019

ASEAN's Only Exhibition on Materials, Accessories and
Equipment for Garment and Textile Manufacturing – 6th Edition

The New Sourcing Frontier

Innovation is critical for garment and textile products to differentiate from competitors, and the latest accessories and materials are essential in the innovation process. The “Garment Manufacturers’ Sourcing Expo 2019” will act as the new sourcing frontier for community to meet with international providers of quality garment and textile materials and accessories, along with learning trends and know-how to catch up with new business opportunities. This is the only sourcing place in ASEAN that buyers will mark their calendar for.
